Subject: Fw: Reminder and Draft Agenda - Monthly Coordination Call on SWRCB WQCP update and SJR Tributary Settlement
[Draft Agenda Fish Agency Coordination 2012 01 08.doc](#)

FYI to Tom, Tim, and Sam,

Nothing for you guys to do just wanted to let you know there will be interagency discussion tomorrow from 3 to 5 pm about the recent draft Supplemental Environmental Document for flow objectives for the lower San Joaquin River and salmon-bearing tributaries. This document was released on 12/31/12 and this will be the first discussion we have about it with CDFW, FWS, State Water Board, and NMFS. John Shelton from CDFW, formerly known as CDFG, coordinates monthly calls about the update to the 2006 Bay-Delta plan. The agenda is included in his email below. I'm assuming Valentina and I are both going to call into it (John is located in Fresno). I don't know about Bruce?? These calls don't fit in my specified schedule so I don't always attend but I'm going to call in tomorrow.
